

How To Become A Junior Counselor Applicant

I can remember the thrill of leading campers in riflery, on hikes, and most of all in the prayer of salvation. I remember the great friendships that were built with other Junior Councilors (JC's). I also remember long hours of lifeguard and JC training, and some JC's not making it through all of the weeks of camp. Being a JC is not for everyone. However, for those willing to give themselves to the ministry of camp, it is one of the most rewarding experiences of a lifetime!

(D. Kinkade)

If you think it's for you, you need to know a few things first:

1. A new team is selected each year - based on the application and reference forms.
2. Being accepted for JC Training does not guarantee becoming a Junior Counselor.
3. This is a spiritually taxing endeavor and requires raising prayer and financial support.
4. The selection is made by the Camp Committee.

If you still want to proceed, great! Now do the following:

1. Read the Job Description carefully.
2. To apply, go to www.ohiobrigadecamp.org, click on "Registration"/ "Junior Counselor"
3. **Distribute the three (3) Reference forms*** as follows -
 - one to your church pastor
 - one to a Brigade leader or youth group leader
 - one to a teacher, coach, or employer

Have them fill out the reference form online. The link you should give your references is:
<https://www.ohiobrigadecamp.org/registration/junior-counselor-reference>

*** Instruct your references to fill out and submit their form right away.**

When the Camp Committee gets all of your forms back, they will make a decision and inform you of their decision by letter, email, or phone. If you have any questions, contact Dale Kinkade at 330-898-2137

In the event that you are not selected for Junior Counselor Training, you can transfer to one of the Battalion skill areas or Service Crew.

Whatever the outcome, pray that the Lord's team is selected for this great opportunity
